Submit your return

Submission receipt

The 2024 to 2025 tax return for Matthew BERESFORD was successfully submitted and was received by HM Revenue and Customs at 13:58 GMT on 29 January 2026.

Your **submission receipt reference number** is:
EDK2KCL52D4JDGRL5EAAPXMDRWFTJJDB

This identification number is unique to you and is created, in code, from the entire content of your return. This number will appear on the latest printed or stored copy of your return. We suggest that you check to ensure that you have this number on the latest printed or stored copy of your return (it changes every time you amend your return prior to submission).

Please note: HMRC will now process your return. It takes up to 72 hours for it to update on to our system. You must wait until after 72 hours have passed before contacting us. In the meantime you will be able to go back into your account to correct any errors on your return or check any of the information you provided.
