

KANSAS DEPARTMENT OF LABOR
2026 EXPERIENCE RATING NOTICE

Notice Date: 12/11/2025

RATE INFORMATION

Dear Employer:

Your unemployment insurance contribution rate for calendar year 2026 is shown on the enclosed Experience Rating Notice.

This rate is calculated, pursuant to the Kansas Employment Security Law, based upon your business experience with unemployment, which includes the amount of contributions you have paid, the amount of benefit payments that are chargeable to your experience rating account and the size of your annual taxable payroll. Kansas employers will pay contributions in 2026 at the rate groups found on credit rate schedule C found in K.S.A. 44-710a. The rate schedule with the credit adjustment figured is shown on the back of this letter.

The total benefit charges for the fiscal year that ended June 30, 2025, are shown on the enclosed Experience Rating Notice and were used in the computation of your contribution rate. If you have questions about the benefit payments charged to your account, please review the Notice of Benefit Charges that were mailed separately to you on a quarterly basis throughout the year.

Unemployment contribution rates are computed based upon insurance principles. The law provides us with a means to measure this risk through the fund control table provided in K.S.A. 44-710a(a)(3)(D). The fund control table calculates the solvency of the Kansas Employment Security Trust Fund.

Voluntary contributions may be made by employers to reduce or maintain a reduced experience rate. If you choose to make a voluntary payment, you must indicate the applicable option, sign, and return the lower part of the notice along with the required payment within 90 days from the mailing date of the Experience Rating Notice.

For additional information about the experience rate assigned to your business, visit our website <https://www.dol.ks.gov>, email us at kdol.uitax@ks.gov, or call the unemployment insurance tax division at (785) 296-5027. If you wish to appeal your Experience Rating, you must follow the instructions provided in the enclosed Experience Rating Notice.

An appeal of your Experience Rating is not considered an appeal of your Benefit Charges.

Respectfully,

Nicole Struckhoff
Deputy Director of Unemployment Tax

UNEMPLOYMENT TAX CONTRIBUTIONS

KANSAS DEPARTMENT OF LABOR

2026 EXPERIENCE RATING NOTICE

CONTRIBUTION RATE EFFECTIVE FOR CALENDAR YEAR 2026

K.S.A. 44-710a sets the standard tax rate schedule for eligible employers based on employer's reserve ratios. To maintain the unemployment insurance trust fund, a solvency or credit adjustment is applied to the standard tax rate based on the health of the trust fund according to the average high-cost multiple. The adjustment is calculated by multiplying the number of the rate group (0-38) by the rate group multiplier, which can range from -0.05128 to 0.05128, depending on the health of the trust fund. The adjustment is added to the standard tax rate, and the final rate is rounded to two decimal places.

KANSAS DEPARTMENT OF LABOR

2026 EXPERIENCE RATING NOTICE

IMPORTANT INFORMATION

The amounts shown on this form were used to compute your 2026 experience rate. If you have been classified as a successor employer and acquired the contribution and benefit experience of a predecessor employer, your account will contain the experience factors of your predecessor.

APPEAL RIGHTS

In accordance with Kansas Administrative Regulation 50-2-19 (contributions Appeal Process for Employer), each employer shall have 15 days from the notice date on the face of this notice to request in writing an administrative review to protest the correctness of the experience rate computation. You must state the reason you feel the computation is not correct. The request must be emailed to kdol.uitax@ks.gov or mailed to the address shown below and postmarked within 15 days of the notice date.

Voluntary Contribution Instructions

Positive account balance employers:

The Kansas Employment Security Law (K.S.A. 44-710a (c)), allows any eligible employer having a positive account balance to make a voluntary payment to reduce their experience rate. The law also provides that under no circumstance shall voluntary payments be refunded in whole or in part. These voluntary payments may be made and must be postmarked only during the 90-day period immediately following the date of notice of experience rating notice for a calendar year. The notice date is printed on the face of this form. You can also make a voluntary payment online by logging into your account at <https://www.kansaslabor.gov>.

You may make a voluntary payment to lower your rate to that of any one of the rate groups shown. If there are no listings in this section, you are not eligible to make a voluntary payment this year.

Negative account balance employers:

A negative account balance employer is defined in K.S.A. 44-7710a(d) as an eligible employer whose total benefits charged to such employer's account for all past years have exceeded all contributions paid by such employer for all such years.

K.S.A. 44-710a(c) provides that an employer having a negative account balance may have such employer's rate reduced to that prescribed for rate group 27 by making a voluntary payment in the amount of such negative account balance. This section also provides that an additional payment may be made to lower such employer's rate to that of any of the rate groups. The law also provides that under no circumstance shall voluntary payments be refunded in whole or in part. These voluntary payments may be made and must be postmarked only during the 90-day period immediately following the notice date of experience rating notices for a calendar year. The notice date is printed on the face of this form. You may make a voluntary payment to lower your rate to any of the rate groups shown. If there are no listings in this section, you are not eligible to make a voluntary payment this year. You can also make a voluntary payment online by logging into your account at <https://www.kansaslabor.gov>.

UNEMPLOYMENT TAX CONTRIBUTIONS

IMPORTANT UPDATE TO KANSAS EMPLOYERS

Unemployment Insurance Taxable Wage Base Increases in 2026

Effective **January 1, 2026**, the Kansas unemployment insurance taxable wage base will increase from **\$14,000 to \$15,100**.

This means:

- Employers will now pay unemployment taxes on the first **\$15,100** of wages paid to each employee.
- This may slightly increase the employer's tax liability per employee.

Please ensure your payroll systems are updated to reflect this change.
