

AWAIS YOUNUS

ACCA STUDENT

OBJECTIVE

I am a highly motivated ACCA student with a keen interest in finance and a robust academic foundation in accounting. I am eager to embark on my career within a professional environment. As I advance through my ACCA qualification, I have cultivated a comprehensive understanding of financial principles, reporting, and management accounting, and I am enthusiastic about applying this knowledge in a practical context. I am prepared to embrace challenges and contribute meaningfully to an organization. My goal is to develop as a finance professional while infusing fresh perspectives and enthusiasm into every task I undertake.
