Project Profitability for Clean the World Ventures EU B.V.'s Clean The World Ventures - Compostable Zipper Bags PO000004 S#1084 P#1068

Hi Shervin

Here is the report for the PO for EU.

As far as I can see, we lost \$403.61 for currency conversion, but in one report it comes as a loss and on another it adds to revenue.

Adeel, can you confirm if this was a loss or gain?

Hi,

Regarding invoice #1084, there is an exchange gain of \$403.58. The total invoice amount in USD was \$29,044.61, while the total amount received in USD is \$29,448.19. This results in an exchange gain of \$403.58.

Please note that the exchange gain is presented as a negative figure in the shared report because the Exchange Gain/Loss ledger is placed under Other Expenses. Therefore, a negative amount indicates a gain.

I have also attached the calculation for the exchange gain for your reference.

Regards
Adeel Shaikh
